

On the Subject of Thirty One

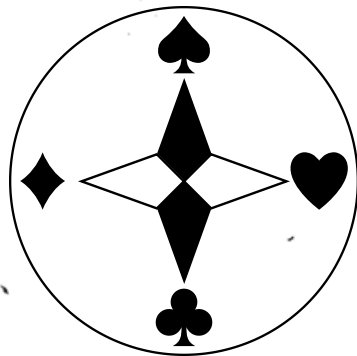

Unlike other modules, you want to hit this one.

- 1. Using the compass rose, convert the suit of the first card into a direction.
- 2. Then starting from the rank of the first card, find and execute a valid move in the obtained direction where the destination is the second card's rank, looping around the edges.
- 3. From there, determine the next card drawn by traveling one tile in the direction of the second card's suit.
- 4. The defuser must press Hit unless the next card would lead the total of all seen cards to go over 31. (J is 11, Q is 12, K is 13, A is 1)
- 5. If the defuser presses Hit, go back to step 3. Otherwise, modify the compass rose of suits using the suit of the last card dealt that stage and press stand.
- 6. The module completely resets on a strike.
